

## TERMS OF USE AND PRIVACY AGREEMENT

Thank you for your interest in **USERSDOT TECHNOLOGY AND CONSULTING COMPANY** (“Usersdot”).

Please read the following terms of use before using the website **www.usersdot.com** (the “Site”).

Any natural or legal person who benefits from the services offered on this Site or accesses the Site in any way (“User”) shall be deemed to have accepted the following terms of use:

Visiting this website and using the Site or any information or service on the Site is subject to the following conditions. Any natural or legal person who benefits from the information or services provided on this Site or accesses the Site in any way shall be deemed to have read and accepted the following terms of use, warnings, and statements.

The services provided on this Site are offered by Usersdot to serve the commercial purposes of the Users, and the legal owner of the Site is Usersdot; all intellectual and industrial property rights, as well as rights of use and disposition over the Site, belong to Usersdot.

### Scope of Services

Usersdot continuously monitors the accuracy and timeliness of the information available on the Site. No commitment is made regarding the timeliness, accuracy, conditions, quality, performance, merchantability, fitness for a particular purpose, or completeness of the information on the Site, nor regarding Usersdot’s impact on other information, services, or products available on the Site, whether related, unrelated, or otherwise.

Usersdot is entirely free to determine the scope and nature of the content and services it will provide through the Site, and it is deemed that any changes it makes in this regard become effective upon their publication on the Site. In order to benefit from the services offered within the Site, users must possess the hardware requirements to be determined by Usersdot and specified in the relevant section of the Site. Usersdot is completely free to determine these requirements, and any changes it makes regarding these requirements are considered to have come into effect upon their publication on the Site.

### General Provisions

Usersdot, although it has taken all necessary technical and administrative measures within the scope of applicable legislation—primarily the Law on the Protection of Personal Data—and within available means to ensure that the information and documents on the Site, including files available for download and/or sharing, are free from viruses, worms, trojans, dialer programs, spam, spyware, or any other malicious and harmful codes or materials, does not make any declaration or commitment in this regard.

It is entirely the User’s responsibility to provide all necessary software and hardware requirements, and to perform their maintenance and updates, in order to prevent such malicious and harmful programs, codes, or materials, to ensure the accuracy of data inputs and outputs, or to recover any lost data. Usersdot shall not be liable for any damages that may be suffered by the User or third parties due to such malicious programs, codes, or materials, as well as errors, deficiencies, deletions, delays, interruptions, or unauthorized use or possible distortions in content or data losses arising from the technical structure of the internet or from communication channels, hardware, and software that are not under Usersdot’s control.

Usersdot shall in no way be held liable for any damages and/or expenses that may arise as a result of the use of information and content available on the Site or on any website accessed via links provided on the Site.

Usersdot accepts no responsibility, as a result of a breach of these Terms of Use, tort, negligence, or other reasons, for any interruption or delay in communication or transactions, errors, omissions, deletion, loss, computer viruses, communication failures, theft, destruction, or unauthorized access to, alteration of, or use of records.

Usersdot shall in no way be held liable for interruptions, delays, or inaccuracies in the published content or for any damages that may arise therefrom.

The owner of this Site is Usersdot. The Site and the content on the Site, including codes, software, and programs, as well as brands, domain names, slogans, and other signs, information, texts, products, visual, auditory, and other images, files, catalogs, and lists, the applied sales system, any database related to the Site pages, page layout and the presentation of the Site, and other materials related to industrial and intellectual property rights on the Site are the property of Usersdot or organizations from which Usersdot has obtained permission and licenses, and are protected under copyright, the Industrial Property Law, and other relevant legislation.

Unless explicitly authorized by Usersdot within the scope of these Site Terms of Use, Usersdot reserves all rights to Usersdot software services, Usersdot information, works subject to Usersdot copyrights, Usersdot trademarks, Usersdot trade dress, or any other assets and information provided through this Site.

The information listed above is permitted for personal and private use only, and the User does not have the rights to partially or fully modify, copy, publish, sell, save, market, display, reproduce, rent, upload to another computer, process, transmit online or otherwise, distribute, make accessible to third parties online or otherwise, or engage in similar unauthorized uses. Partial copying, printing, processing, distribution, reproduction, or display of the information on this page is only possible for non-commercial personal needs and with the written permission of Usersdot.

Through the site, links may be provided to other websites and/or content owned and operated by third parties that are not under Usersdot's control. These links are placed to facilitate Users' navigation and do not constitute support for any website or the person operating that site. Usersdot makes no statements or commitments regarding the content of the linked websites. Usersdot is not responsible for websites and content accessed through links on the site, and any damages arising from the use of these sites are the responsibility of the Users. Usersdot may make access to such linked websites conditional upon its written consent and may always block access to links it deems inappropriate.

Usersdot is not responsible for services provided or content published by third parties within the site, nor are the institutions and organizations it collaborates with, or its employees and administrators. The accuracy and legality of any information, content, visual and audio materials provided and published by any third party are entirely the responsibility of the third parties performing these actions. Usersdot does not guarantee the safety, accuracy, or legality of services and content provided by third parties.

## **Limitation of Liability**

Usersdot has the right to edit the Site and/or its content, suspend or stop its publication, and remove it temporarily or permanently at any time. These conditions also apply to other internet pages linked. Usersdot shall have no liability to the User or third parties due to such temporary suspension or complete discontinuation.

Usersdot reserves the right to unilaterally change and update these Terms of Use, as well as any type of information, forms, content, services, products, and campaigns present on or to be included in the Site and its extensions, at any time, without prior notice if desired or required. Changes will be published on the Site and will be effective from the publication date. It is the User's responsibility to regularly check the "Terms of Use" to stay informed about changes, and anyone who continues to use the Site after changes have been made will be deemed to have accepted the modifications.

Usersdot, the institutions and organizations it cooperates with, its employees and administrators, and authorized sellers of Usersdot shall have no legal or criminal liability for any material or moral damage that may arise from Users not having read these Terms of Use or having read them but not acting in accordance with them.

Information obtained by users from the Website or from other sites linked on the Website, notifications, promotions, and advertisements sent to them electronically, as well as any decisions made within the framework of any suggestions and all transactions, applications, and outcomes based on them are not the responsibility of Usersdot; users are responsible.

All intellectual and industrial property rights and ownership rights regarding any information and content related to the Website, as well as their arrangement, revision, and partial or complete use, belong to Usersdot, except for those belonging to other third parties according to Usersdot's agreements.

Usersdot reserves the right to make any changes it deems necessary regarding the above matters and the products, services, and opportunities it will offer to its users. These changes will be effective from the moment they are announced by Usersdot on the Website or through other appropriate methods.

## **Protection of Personal Data and Privacy**

Usersdot has adopted the principle of protecting the privacy of those visiting its website.

In this context, as Usersdot, we take all necessary measures and actions to ensure the lawful processing of personal data in accordance with the provisions of the Personal Data Protection Law No. 6698 ("Law"), the decisions of the Personal Data Protection Board ("Board"), and, to the extent applicable, the provisions of the European Union General Data Protection Regulation ("GDPR"). In this regard, separate Disclosure Texts and Explicit Consent Forms have been prepared for each group of data subjects whose personal data is processed, and we take care to protect the rights of the relevant individuals. You can visit the Personal Data Protection section created on the website for detailed information. ([Click here.](#))

Usersdot provides detailed disclosure for each relevant category of individuals, such as potential customers, customers, customer employees/representatives, employees, job applicants, and partners/shareholders. In addition, it defines real persons who access the [www.usersdot.com](http://www.usersdot.com) site for various purposes but do not belong to other categories whose data the company processes as Website Visitors (3rd Party).

Your Personal Data; may be collected by the relevant units through any written, verbal, or electronic means, whether automated or not, for the purposes specified in the Disclosure Text on the Processing of Personal Data by Google via cookies. For the purposes of conducting/monitoring business activities in compliance with legislation, carrying out information security processes, and tracking requests/complaints, personal data may be transferred to Cloud Service Providers abroad, provided that appropriate safeguards as stipulated in Article 9, fourth paragraph of the Personal Data Protection Law are ensured, and stored for up to 2 years in accordance with the Internet Law No. 5651.

Usersdot; undertakes to take the necessary technical and administrative measures to ensure an appropriate level of security to prevent unlawful processing of personal data, unlawful access to personal data, and to ensure the protection of personal data, and to conduct the necessary audits. For other websites accessed from the Website, the privacy, security policies, usage, communication, and personal data processing terms of those sites apply. Usersdot is in no way responsible for disputes, material or moral damages, and losses that may arise due to the use of information from websites accessed for advertisements, banners, viewing content, or any other purpose, due to the ethical rules, privacy, security principles, service quality, terms of use, and other practices of those sites.

To ensure the highest level of security for our users who use Datadot software, the card information requested on the payment page is never stored on Usersdot servers. In this way, all payment-related transactions occur directly between your bank and your computer through the Usersdot interface. In this context, no data is processed, collected, used, or utilized by Usersdot.

Pursuant to Article 11 of the Law, data subjects have the right to; learn whether their personal data is being processed, request information if their personal data has been processed, learn the purpose of the processing of personal data and whether it is used in accordance with that purpose, know the third parties to whom personal data is transferred domestically or abroad, request the correction of personal data if it has been processed incompletely or inaccurately and request that this be communicated to the third parties to whom the personal data has been transferred, request the deletion or destruction of personal data if the reasons requiring its processing have ceased, even if it has been processed in accordance with Law No. 6698 and other relevant legislation, and request that this be communicated to the third parties to whom the personal data has been transferred, object to the emergence of a result against themselves by analyzing the processed data exclusively through automated systems, and claim compensation in case of damage due to the unlawful processing of personal data.
